Appointment of New Director

29th August 2005

ITL is pleased to announce the appointment of Mr Roy Rose to the Board as a non-executive Director from the 1st of September 2005.

Mr Rose is a chemist and has 30 years experience specialising in general management, operations/production management, international sales and marketing, technology management and corporate governance within many roles at Orica Limited (formally ICI Australia).

He is the President of the Australian Industrial Research Group and is a member of the boards of Cooperative Research Centre for Environmental Bio-technology and Qenos Pty Ltd.

The ITL Board of Directors now consists of four (4) members – Mr Julian Gosse (Chairman), Mr Richard England (non-executive Director), Mr Roy Rose (non executive Director) and Mr William Mobbs (CEO and Director).

ITL (ASX: ITD, www.itl-limited.com) designs and manufactures innovative medical devices and procedure packs for global healthcare markets. ITL is committed to bringing products to the market that consistently prove to be market leaders in safety and innovation and supplies 200 private and public hospitals across Australia with its range of customised Procedure Packs. ITL's [products](#) have a presence in over 35 countries and protect the lives and health of healthcare workers in millions of procedures.
