ITL PREFERRED SUPPLIER TO RAMSAY HEALTH CARE

ITL Healthcare Pty Ltd, a member of the ITL Group, is pleased to announce that it has signed a two year non-exclusive, preferred supplier agreement with Ramsay Health Care Australia Pty Ltd to provide custom procedure packs to its Australian hospitals and day surgery facilities.

Ramsay Health Care Australia Pty Ltd, a member of the Ramsay Health Care Group, is Australia's largest private hospital group and operates 64 health care facilities in metropolitan and regional Australia.

'The European and US experiences show that custom procedure packs are a cost effective solution to providing consumables to the health care industry,' said Bill Mobbs, ITL's CEO. 'Increasingly, Australian healthcare providers see the benefits that can be realised by introducing custom procedure packs throughout their health care facilities, particularly operating theatres and critical care units.'

'ITL Healthcare has been in this business for many years and with its new facility in Melbourne has the capability to service the current and future needs of Ramsay Health Care.'

I am pleased to be able to offer Ramsay Health Care our products as a preferred supplier.'

Bill Mobbs
CEO
ITL Limited

ITL (ASX: ITD, www.itl-limited.com) is a diversified company within the healthcare industry. Specialising in innovative medical devices and procedure packs for global healthcare markets, ITL manufactures in Australia and Malaysia, and has sales offices in Australia, North America, Europe and Asia.

ITL's patented medical devices have a presence in over 35 countries and protect healthcare workers in millions of procedures annually. ITL supplies its range of customised procedure packs to over 200 hospitals across Australia, and within Asia supplies procedure packs, capital equipment and instruments to over 160 hospitals.
