Attached is ITL Limited's trading policy as required by ASX Listing Rule 12.9. The trading policy was introduced in October 2003 when ITL listed on the ASX. The policy was reviewed in July 2010 in line with the ASX listing rule amendments.

Yours sincerely

Securities Dealing Policy

1. Application

This Policy applies to all Persons being the Directors of the Company, Key Management Personnel and Relevant Employees of the Company who have been notified that this Policy applies to them.

Certain defined terms are contained in Section 19.

2. Closed Periods

A Person must not deal in any Securities of the Company during a Closed Period.

A **Closed Period** is:

- (a) the period from the relevant financial year end to the date of the preliminary announcement of the Company's annual results or, if shorter, the period from the relevant financial year end up to and including the time of the announcement; and
- (b) the period from the relevant financial period end to the date of the publication of the half-yearly report or, if shorter, the period from the relevant financial period end up to and including the time of such publication; or
- (c) the period from the relevant financial period end to the date of the announcement of the first and third quarter results or, if shorter, the period from the relevant financial period end up to and including the time of the announcement.

3. Clearance

A Person who wishes to Deal in any Securities of the Company or a Connected Company outside a Closed Period or Prohibited Period and who is in possession of, or believes that they may be in possession of price sensitive information must seek clearance from a director in advance.

A director must not Deal in any Securities of the Company or a Connected Company without advising the Chairman in advance and receiving clearance.

Policy Number:	1.2	Issue Date:	October 2003
Issued By:	Company Secretary	Policy Owner:	ITL Board
Scheduled Review:	Annually	Page 1 of 9	
Last Reviewed:	July 2010		

The Chairman must not Deal in any Securities of the Company without advising the Board in advance and receiving clearance.

4. Prohibited Period

A Person will not be given clearance to Deal in any Securities of the Company or a Connected Company during a Prohibited Period and 24 hours thereafter.

A **Prohibited Period** is:

- (a) in respect of the Company, any Closed Period;
- (b) any period when there is any matter which constitutes Unpublished Price Sensitive Information in relation to the Securities of the Company or a Connected Company (whether or not the Person has knowledge of such a matter) and (in respect of the Company) the proposed Dealing would (if permitted) take place after the time when it has become reasonably probable that an announcement will be required in relation to that matter; or
- (c) any period when the Board otherwise has reason to believe that the proposed Dealing is in breach of this Policy.

5. Dealing

A Person must not Deal in any Securities of the Company on considerations of a short-term nature. A Person must take reasonable steps to prevent any Dealings by or on behalf of any Connected Person in any Securities of the Company on considerations of a short term nature.

6. Exceptional circumstances

Where in exceptional circumstances and it is the only reasonable course of action available to a Person (eg a pressing financial commitment that cannot be satisfied otherwise) clearance may be given for the Person to sell (but not to purchase) Securities when he/she would otherwise be prohibited from doing so. The Company Secretary will determine whether the circumstances are exceptional for this purpose.

7. Dealings by a trustee

Where a Person is a sole trustee (other than a bare trustee), the provisions of this Policy will apply as if he/she were dealing on his/her own account. Where a Person is a co-trustee (other than a bare trustee) he/she must advise his co-trustees of the name of the listed companies of which he/she is a director.

If the Person is not a beneficiary, a Dealing in Securities of the Company or a Connected Company undertaken by that trust will not be regarded as a Dealing by the Person for the purposes of this Policy where the decision to Deal is taken by the other trustees acting independently of the Person or by investment managers on behalf of the trustees. The other trustees or the investment managers will be assumed to have acted independently of the Person where they:

- (a) have taken the decision to Deal without consultation with, or other involvement of, the Person concerned; or

Issued By:	Company Secretary	Policy Owner:	ITL Board
Scheduled Review:	Annually	Page 2 of 9	

- (b) if they have delegated the decision making to a committee of which the Person is not a member.

8. Dealings by Connected Persons and investments managers

A Person must (so far as is consistent with his/her duties of confidentiality to the Company) prohibit (by taking the steps set out in Section 9) any Dealing in Securities of the Company or a Connected Company during a Closed Period or at a time when the Person is in possession of Unpublished Price Sensitive Information in relation to those securities and would be prohibited from Dealing under Section 4(b):

- (a) by or behalf of any Connected Person;
- (b) by an investment manager on his/her behalf or on behalf of any person connected with him/her where either he/she or any person connected with him/her has funds under management with that investment manager, whether or not discretionary (save as provided in Sections 7 and 14).

9. Advice to Connected Persons and investment managers

For the purposes of Section 8, a Person must advise all such Connected Persons and investments managers:

- (a) of the names of the listed companies or which he/she is a director;
- (b) of the Closed Periods during which they cannot Deal in the Securities of the Company or a Connected Company;
- (c) of any other periods when the Person knows he/she is not free to Deal in Securities of the Company or a Connected Company under this Policy unless his/her duty of confidentiality to the relevant company prohibits him/her from disclosing such periods; and
- (d) that the Connected Person or investment manager must advise the Person immediately after they have dealt in Securities of the Company or a Connected Company (save as provided in Sections 7 and 14).

10. Special Circumstances

The grant of options by the Board under an employee share option plan to the Relevant Employee may be permitted during a Prohibited Period if such grant could not reasonably be made at another time and failure to make the grant would be likely to indicate that the Company was in a Prohibited Period.

The award of Securities, the grant of options and the grant of rights (or other interests) to acquire Securities by the Company to a Person is permitted in a Prohibited Period if:

- (a) the award or grant is made under an employee share option plan;
- (b) the terms of such employee share option plan set out:
 - (i) the timing of the award or grant and such terms have either:

- (A) previously been approved by shareholders or summarised or described in a document sent to shareholders; or
- (B) are in accordance with the timing of previous awards or grants under the scheme; and
- (ii) the amount or value of the award or grant or the basis on which the amount or value of the award or grant is calculated; and
- (c) the failure to make the award or grant or the basis on which the amount or value of the award or grant is calculated; and

In cases of doubt, the Australian Securities and Investments Commission, the ASX or legal advisers (as the context requires) should be consulted.

However the following Dealings are subject to the provisions of this Policy, unless they fall within Section 17(b)(ii):

- (a) a discretionary award or grant under an employee share option plan which would not otherwise have been made but for the event that led to the commencement of the prohibited period; and
- (b) an award or grant under an employee share option plan which is made in a prohibited period during which the relevant plan was introduced, or in the case of an existing plan, the relevant plan was amended.

11. Exercise and trading of options and other rights

- (a) A Person must not buy (in respect of the Company), Securities which consist of or include:
 - (i) a right to call for delivery at a specified price and within a specified time of a specified number of shares or specified amount of debentures;
 - (ii) a right to make delivery at a specified price and within a specified time of a specified number of shares or specified amount of debentures; or
 - (iii) a right (at the holders election) to call for delivery at a specified price and within a specified time or to make delivery at a specified price and within a specified time of a specified number of shares or specified amount of debentures.
- (b) The Board may allow the exercise of an option or right under an employee share option plan or the conversion of a convertible Security, where the final date for the exercise of such option or right, or conversion of such Security, falls during any prohibited period and the Person could not reasonably have been expected to exercise it at an earlier time when he was free to deal.

12. Clearance for the sale of securities

Where an exercise or conversion is permitted under Section 11(b), the Board may not, however, give clearance for the sale of Securities acquired pursuant to such exercise or conversion unless otherwise permitted by the Policy.

13. Qualification shares

The Company Secretary may allow a director to acquire qualification shares without regard to this Policy where, under the constitution of the Company, the final date for acquiring such shares falls during a Prohibited Period and the director could not reasonably have been expected to acquire those shares at another time.

14. Savings and dividend re-investment plans

A Person may enter into a plan in which only the Securities of the Company are purchased pursuant to a regular standing order, direct debit or by regular deduction from the Person's salary, where such Securities are acquired under the Company's dividend re-investment plan or are acquired as part of a Person's remuneration without regard to the provisions of the Policy, if the following provisions are complied with:

- (a) the Person does not enter into the plan during a Prohibited Period, unless the plan involves the part payment of remuneration in the form of Securities and is entered into upon the Person's employment;
- (b) the Person does not carry out the first purchase of Securities in the Company under the plan during a Prohibited Period, unless the Person is irrevocably bound under the terms of the plan to carry out the first purchase of Securities at a fixed point in time which falls in a Prohibited Period;
- (c) the Person does not cancel or vary the terms of his/her participation, or sells the Securities in the Company within the plan, during a Prohibited Period; and
- (d) before entering into the plan, cancelling the plan or varying the terms of his/her participation or selling the Securities of the Company within the plan, the Person obtains clearance under Section 3.

15. Exception

The provisions of this Policy do not apply to an investment by a Person in the plan or arrangement where the assets of the plan or arrangement are invested at the discretion of a third party or to a dealing by the Person in the units of an authorised unit trust or in shares in an investment company.

In the case of a plan investing only in the Securities of the Company, the provisions of Section 14 apply.

16. Dealings subject to this Policy

For the avoidance of doubt, and subject to the specific exceptions set out in Section 17, the following constitute Dealings and are subject to this Policy:

- (a) Dealings between directors and/or relevant employees of the Company;
- (b) off-market Dealings;
- (c) transfers for no consideration by a Person other than transfers where the Person retains a beneficial interest;
- (d) entering into, or terminating, assigning or novating any stock lending agreement in respect of Securities of the Company or a Connected Company;
- (e) using as security, or otherwise granting a charge, lien or other encumbrance over, Securities of the Company or a Connected Company; and
- (f) any transaction, or the exercise of any power or discretion, effecting a change in the ownership of a beneficial interest in the Securities of the Company or a Connected Company.

17. Dealings not subject to this Policy

For the avoidance of doubt, and notwithstanding the definition of “Dealing” contained in Section 19, the following Dealings are not subject to the provisions of this Policy in respect of the Company or a Connected Company:

- (a) undertakings or elections to take up entitlements under a rights issue or other offer (including an offer of shares in lieu of a cash dividend);
- (b) the take up of entitlements under a rights issue or other offer (including an offer of shares in lieu of a cash dividend);
- (c) allowing entitlements to lapse under a rights issue or other offer (including an offer of shares in lieu of a cash dividend);
- (d) the sale of sufficient entitlements to allow take up of the balance of the entitlements under a rights issue;
- (e) undertakings to accept, or the acceptance of, a takeover offer;
- (f) transfer of shares arising out of the operation of an employee share scheme into a savings scheme investing only in securities of the Company following:
 - (i) the exercise of an option under a savings related share option scheme; or
 - (ii) release of shares from a profit sharing scheme;
- (g) the cancellation or surrender of an option under an employee share scheme;
- (h) the purchase of securities or the communication of information pursuant to a requirement imposed by law;

- (i) transfers of Securities by an independent trustee of an employee share scheme to a beneficiary who is not a Person; and
- (j) bona fide gifts to a director by a third party.

18. General conflicts of interest

All employees of the ITL Group who are bound by this Policy must advise the Board of any personal interest (including without limitation an interest in Securities) which may be impacted in a material way by a project or decision which is before the Board and in which the employee is materially involved on behalf of the ITL Group.
